Exit 22

I-84

Corbett Hill Road

After the fireworks drivers will be directed to turn **RIGHT ONLY** out of each of these four lots.

**Cars in lots A & D** - Will be sent Eastbound on the Historic Columbia River Highway, and then Northbound on Corbett Hill Rd. *This also applies to sponsor/performer parking.*

**Cars in lots B & C** - Will go Westbound on the Historic Columbia River Highway towards Mershon Rd. They will then have the option of going Westbound onto Mershon or continuing Southbound on the Historic Columbia River Highway.
